ABOUT THIS PROPERTY

11a Opuia St, Belmont

Privately located at the end of a very quiet cul-de-sac and away from prying eyes, this low maintenance, one level home bathed in sunshine is built with socialising in mind. Designed for family and destined to entertain - the large open plan kitchen, lounge, and living, are the heart of the home, with a partially covered deck located off both living areas for family and friends to congregate all year round. There is a heat pump in each wing for when temperatures drop and the additional benefit of a solar system, keeping energy costs low. Four bedrooms in total. Parents seek solace in the main living and master bedroom, whilst a further three bedrooms and second living area are situated at the other end for the kids. There is a separate space for the boat, a large garage for your gear and parking for two vehicles. Pre-school, primary, intermediate and secondary schooling is only a short walk away, as are the local shops, bus stops, sports grounds, with the Bayswater-CBD ferry at the end of the Peninsula. This is a home for the family - this is a home for the future. Be first, call now!
